- D. **THE NATIONAL GALLERY OF ART:** It is near Trafalgar Square.
- E. **THE LONDON EYE:** It is next to the River Thames, opposite the Houses of Parliament.
- F. **TOWER OF LONDON:** It is not far from Tower Bridge, on the north bank of River Thames.
- G. **THE GLOBE:** It is on the south bank of River Thames, not far from Southwark Cathedral.

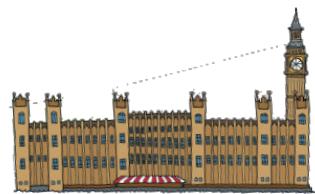

Que peut vouloir dire 'not far from'? _____

2. Lis les descriptions suivantes et dis de quel monument il s'agit.

- a) It is a museum with more than 2,300 paintings. There are more than 5 million visitors each year.
- b) It is the house of the Queen of England. Guards protect it and it has 775 rooms!!
- c) It is the biggest ferris wheel in Europe. You can have a great view of London from there.
- d) It is an old castle near the River Thames. King Henry VIII lived there in the sixteenth century. It was also a prison. People say that it is haunted.
- e) Ministers speak about politics there and you can see the most famous clock in the world: Big Ben. So the Members of Parliament have no excuse for being late for work...
- f) It is a modern vision of William Shakespeare's theatre. It is called the Globe because of its circular shape.
- g) It is 244 metres long and it opened in 1894. Boats can pass under it.
