A BRITISH BOY

Track 3

Me and my brother

- I live in London with my mum and dad and my brother Roan, age 9. My dad is an architect and my mum teaches Design and Technology.
- I start my day at 6.30 a.m. I have toast for breakfast. At 7 a.m. I walk to the train station. I take the train at 7.23 a.m. with six school friends. Then we take a bus and we arrive at school at 8.05 a.m.
- Classes start at 8.35 a.m. A class is one hour. I have two classes, a 30-minute pause, two classes, then lunch at the canteen. In the afternoon I have just one class. School finishes at 3.30 p.m. My favourite subjects are Science, Art, Music, Design and Technology and Gym.
- I play football and badminton at school, and I love trampolining. I play the violin in the school orchestra.

London is cool! I love to go to the zoo and the Aquarium.
