### OC for the test

Hi! I'm in year 7B, in Headington College, In Cambridge, where I live. Headington College is a big school but that's cool. I live at 35 Kingston Road, in England. I am English of course. I'm 13 and I've got a younger brother, Charlie, he's cute but he can be a real pain sometimes. Charlie is 6.

I've got a pet, it's a parrot. Its name is Polly. Charlie likes it very much, and plays with it a lot. But he gets scared when I take it out of its cage...Charlie teaches Polly swear words and my parents don't like that very much.

Oh yes, sorry, I'm Amy...Amy COPPER.

I'm tall; I've got long curly red hair and green eyes. I'm slim and very trendy...I've got no glasses but golden earrings.
