## THE RESTAURANT "LE CINQ" ENVIRONMENT

### TABLE PRESTIGE

Philippe Deshoulières created our Restaurant's tableware which features a white presentation plate with a wide taupe grey and gold border as well as featuring smaller plates in the same colours, with the famous cameo that is seen in the Restaurant.

### CREATIVE CHEFS

Christian Squer defines his cuisine as being "flavors, concentrated and moving." Among the signature dishes of the chef that may be mentioned: the turbot with truffled fingerling potato emulsion, large crispy prawns from Bretagne and citrus emulsion or whipped oysters.

### AN EPHEMERAL MENU

The menu changes according to the season and offers different options to please the most discerning palate: The "Epicurean Escape" menu is priced at €310.00 for dinner (9 courses), and the "Seasonal Escape" menu is priced at €145.00 (4 courses) or €210.00 (6 courses) for lunch.

### AN IMPECCABLE SERVICE

Our service, which has established the reputation of Four Seasons hotels across the world, is provided in the restaurant as well as the hotel by attentive and enthusiastic staff whose only wish is to make sure each and every guest has an exceptional experience.
