On Thursday 29th April from 1.30 to 2.00, we went to the meeting room. Two teachers from 'Lycée Turgot' were waiting for us. We met a Science teacher, who teaches Science in English (European section) so he talks to us about sustainable energy (sun, wind) in English!!

We learnt specific words and we understood a lot.

Here is a wind turbine.

It can be 120 metres high

Solar panels

Alternator

Cables

Gear box

A blade

Anaëlle - It was great! especially the models

Matéo – We have learnt new words.

Jason – It was interesting.

Typhaine - It was very good because it was in English and it was different from our lessons.

Simon - It was a good initiative
