

Deux écureuils, Sandy et Alvin, font leurs provisions.

Qui a le plus de noisettes ?

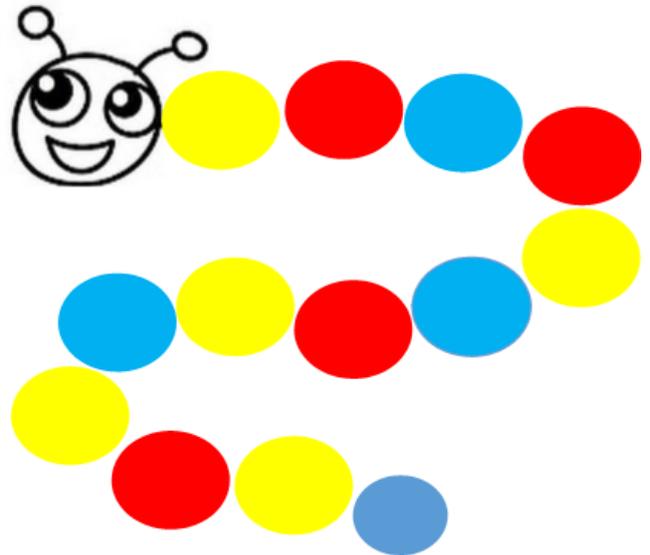

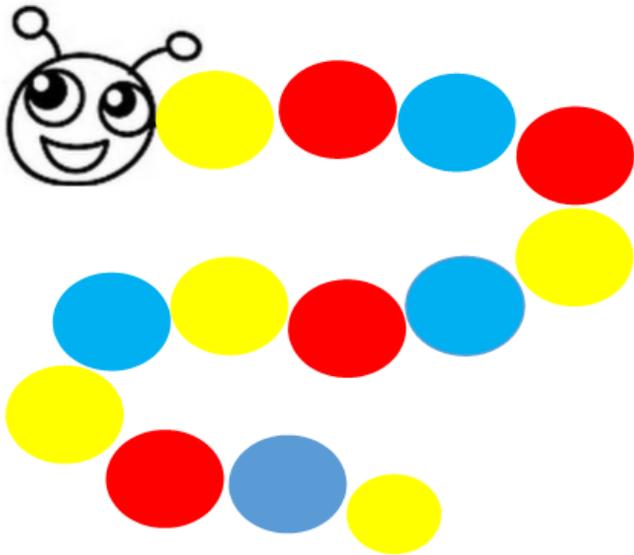

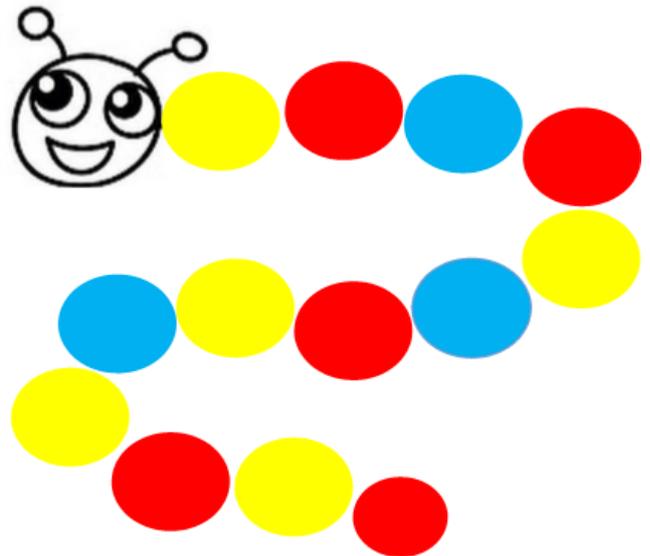

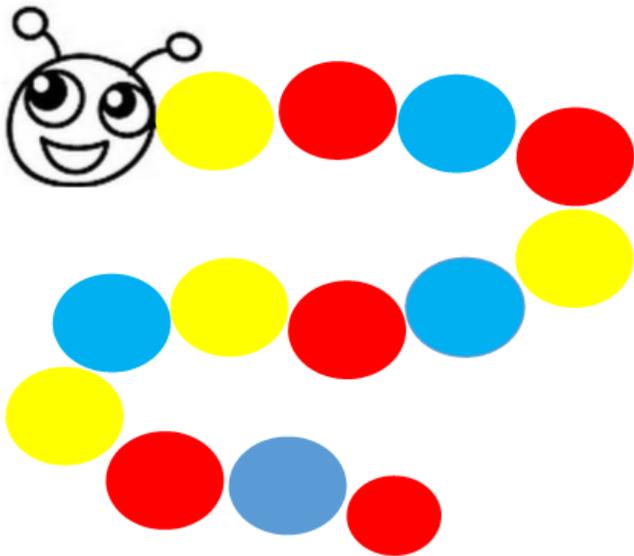

A squirrel named Sandy is shown sitting and eating. To its left are eight acorns of various sizes, arranged in a scattered pattern. The acorns are drawn with simple lines and shading to show their texture.

SANDY
8 noisettes

A squirrel named Alvin is shown sitting and eating. To its right are nine acorns of various sizes, arranged in a scattered pattern. The acorns are drawn with simple lines and shading to show their texture.

ALVIN
9 noisettes

Observe attentivement l'image pour trouver les objets suivants : un avion, une voiture, un ballon.

A ton tour de placer les objets comme sur le modèle.
